**“USING OUR BUILDINGS  
FOR OUR COMMUNITY”**

## Use Of Buildings at Shirley Baptist Church

At Shirley Baptist Church we are privileged to have a range of community facilities that are predominantly for church based activities. However, we are also pleased, on occasions, to make some of our facilities available to other local community and charity organisations on an informal basis.

Each request will be considered on an individual basis and, where we are able to accommodate the request, the user will be responsible for **following the guidelines contained within our 'User Guide'** and for ensuring that they have in place all necessary insurances and carry out all appropriate risk assessments, as we are unable to accept any responsibility for any losses or damage however caused.

Whilst we do not make any formal charges for the use of our facilities, we welcome voluntary donations to support the work of Shirley Baptist Church and, in addition, we would need to recover the cost of any damage to any property arising from the use of our premises by outside organisations or individuals.

Please note that alcohol, drugs or smoking are not permitted on the premises under any circumstances.

All enquiries in regard to the use of the facilities at Shirley Baptist Church should be made in the first instance to the Church Office: 0121 733 8089.

Please advise the Church Office of the room(s) and facilities that you are looking to use, the purpose and nature of the activity and event, the required date and times and the name of the person accepting responsibility for the use of the buildings.

Once the request has been considered then we will contact you and advise you if we are able to accommodate your request. All requests will be considered on an individual basis.

We encourage all users to inspect the premises before commencing their use and to advise the Church Office immediately of any damage.
